Recommendations and Conclusion:

1. The Planning Board to make determinations on the following:
 - a. Consider finding the 15' vegetated/wooded buffer along Spencer Drive, Tivoli Drive and Burnt Mill Road sufficient and in compliance the 145-38B
 - b. Consider finding the existing wooded area 510' + to be sufficient as a screen/buffer for the residential abutters across from Burnt Mill Road.
 - c. Consider finding that the addition of 45 spaces for a total of 423 spaces is sufficient for the Warehouse/ Truck Terminal use. (Based on the building size 538 spaces are required, but prior site plan approvals permitted 378 spaces.)
 - d. Consider finding that an updated boundary survey is not required as no new buildings are proposed.
 - e. MDEP permit approval has been granted (see attached)
2. The Planning Board to consider finding the application compliant
3. The Planning Board to consider approving and signing the Findings of Fact & Decisions and site plan.
