Re: Congdon's Donuts Amendment Application– Tax Map 123, Lot 5 and 6 – Public Hearing

---

The Planning Office has not received any written comments from abutters regarding the proposed amendment application. If any are provided, they will be handed out at Monday's Planning Board meeting.

The Office did receive a call from an abutting lot (Ocean Haven) across from Route One with concerns about existing and proposed lighting. Existing lighting is stated to generate glare onto Ocean Haven.

Thank you.
