Subject: 2229 Post Road

Jim Genereux and I had a meeting with Bob Lachance on February 2, 2022 regarding the storage containers, shed and equipment located at 2229 Post Road Tax Map 147-013. It was agreed upon that all storage containers, shed and equipment will be removed from the property no later than February 28, 2022. Mr. Lachance understands that the property does not have an approved use at this time and the property cannot be used for the storage containers or business equipment/vehicles.

The Code Office will report back to the Planning Board on the evening of the February 28, 2022 to verify the lot is in compliance to the agreed upon solution above..
