**** CAUTION EXTERNAL EMAIL ****

Hello Shannon –

Following up our conversation today, we would like to request a 30-day extension be considered for approval of the 1810 Post Road Condo at the 2/14 meeting, which will allow additional time to finalize the condo declaration. Prior to next Mondays meeting we will submit the revised plans per the review comments received after the last submission.

Thank you,

Hi Shannon –

Following up on 1810 Post Road, we will need to postpone again as we are waiting on final condo documents, so we will look to submit the final plans and condo documents for the 2/14 meeting.

Thank you,
