

**Wells CPUC Editing Matrix--WEAC-JQ--Regional Coordination, Chapter 17** (using 2005 Comp Plan)

<b>Commenter's Name:</b>	<b>Document Name:</b>	<b>Page #:</b>	<b>Paragraph #:</b>	<b>Your comment or question:</b>
WEAC - JQ	Regional Coordination	76	under "Wells' Goals"	add "and to coordinate a response and share resources for climate change adaptation and mitigation."
WEAC - JQ	Regional Coordination	77 (of 2005 CP)	under "Implementation Strategies", add # 14	14. Involve Wells in regional discussions in which municipal officials can compare notes and share solutions to challenges they face in supporting the transition towards clean energy sources. Elevate the importance of energy conservation and carbon emission reduction in all local and regional planning.
