Re: Burnt Mill Estates Request to Remove Golf Course and Request to Amend Subdivision Plan

Dear Mike, Shannon, and Members of the Board,

As an abutter to this development, I would like to request that you hold public hearings for *both* Burnt Mill's request to remove the golf course and their separate request to update the subdivision plans.

This development is very large and has an impact on a lot of people and a lot of land, I ask that you please give the opportunity for the community, abutters, and residents to speak and ask questions.

Thank you
