Rob,

Here is the email we received from Rob Betz at Maine DOT approving the design plans.

John

Thank you Ania. These plans are complete and accepted. In order to permit construction I will need the following:  
Contractor Payment and Performance Bonds  
Contractor Insurance  
Approved Traffic Control Plan  
Certification that utilities have been coordinated  
Certification that all is within the ROW or that impacted abutters have been appropriately compensated  
Thank you.

Rob Betz, P.E.  
Midcoast Sr. Project Manager  
Regional Program

Hi Rob,

Thank you for your comments. I have made the requested changes to the design and attached a copy of the final plan set here for your records. Please let me know if there is anything else you need.

Thanks,  
Ania
