Hi Mike and Shannon,

With April 1st approaching, Planning Board site walks will soon be underway. I realize there is still a significant amount of snow on the ground. Should we plan to discuss Brookside II at the April 6th meeting, and if so, will a formal request be required?

Thank you,

Craig Burgess, PE

Hi Craig:

Those are the significant changes for this amendment. Other buffer and Open Space requirements changed but may not impact Phase II due to not being on a Town street.
